Inspired by traditional tapas, our small plates are served when each dish is ready, the dishes are not sent out from the kitchen at the same time.

The idea of this menu is to create a sociable dining experience where diners can share dishes and taste some of the different flavours we have to offer.

Please don't feel the need to order all of your dishes straight away, you can add to your order as you eat, just ask your waitress, she will be happy to help.

As with all of our dishes here at The Quadrant our small plates are prepared and cooked to order, if you require any small alterations to the dishes to suit dietary requirements please inform a member of staff when ordering and we will do our best to help.
